

IWA national
festival winners
of the 'Lionel
munk trophy'
2005
for the best
commercially
built narrow
beam craft at the
show and giving
value for money

Bourne boat builders are proud to announce the new 'Betchton class' of narrow boats, still our award winning combination of superior carpentry and finishes but with a much lower price tag!!

E.g. 57' semi trad fully fitted now starting at £59,795 Inc VAT

Also available

57' cruiser with all extras as seen on TV (working lunch BBC2)

A complete in house marine service

Shells and sailaways to any style and size

And of course our award winning bespoke design and builds service
